Sri V. M. MASCARENHAS.—In the Statement appended, there is no mention made of the Professor of Surgery, Professor of Medicine, Professor of Ophthamology and Professor of Medical Jurisprudence. Am I to understand that these Professors do not exist in that College ?

*Sri A. G. RAMACHANDRA RAO.—These are the permanent staff attached to that College. There will be surgeons working in the Krishnarajendra Hospital as part-time officers of the College.

Sri V. M. MASCARENHAS.—For instance No. 2 in the list is a Pathologist in the Krishnarajendra Hospital, Mysore. His name is not mentioned here in the schedule of establishment of the Medical College. Am I to understand that this is correct ?

Sri A. G. RAMACHANDRA RAO.—The information that is supplied is correct.

Sri V. M. MASCARENHAS.—If that is the case, why the names of Professors of Medicine and others are not shown here when the question has been asked ?

Sri A. G. RAMACHANDRA RAO.—In the column 'Name and qualifications' permanent incumbents are shown. It is only in the Remarks column it is said, as against No. 2 vacancy, that one has been appointed as part-time professor. That is put in the remarks column.

Sri V. M. MASCARENHAS.—Is it true that the All-India Medical Council, when it visited this College, passed some remarks about the inadequacy of the staff and the non-working of the institution on sound lines ?

Sri A. G. RAMACHANDRA RAO.—They have made remarks about the inadequacy of the staff. There is no other remark about the institution.

Sri V. M. MASCARENHAS.—Would I be wrong if I state that it is the cheapest Medical College in the world ?

Sri A. G. RAMACHANDRA RAO.—If that is so, we have to congratulate ourselves.
